Subject: Closeout Request, Tetra Tech (WA062, WA063) - Keystone Sanitation Landfill

Susie,

I'm sending this in regard to Tetra Tech work assignments open for support at the Keystone Sanitation Landfill Superfund Site.

This email (1) confirms that all technical work at my site is complete, and (2) I am requesting close out of WA #062 and WA #063 for the site. WA #062 and WA #063 provided LTRA Oversight of PRP activities for OU1 and OU2, respectively.

Please reach out if you have any questions.

Thanks! - Chris
